Kolkata  
August 2020 - September 2022

**Macys** – One of the largest retail brand of USA

- Automated functional test cases and regression suite using client testing framework using GCP in IntelliJ Idea
- Tracked and managed defects in Atlassian JIRA
- Led new team members, providing mentorship and guidance to facilitate their onboarding process

## Personal Projects

- **Snap Up**

Developed a responsive user interface of a super market site using React.js and Redux Toolkit. Styled the site by creating CSS files for each component.
